Anti-Microbial Deli Chub Bag

- Durable slider for an easy secure seal that aids in eliminating spills and cross contamination
- Helps contain bacteria growth which has been thought to be linked to food related illness
- Reduces waste of film overwrap by reusing bags up to the life of the meat or cheese chub
- Increases efficiency of service with less re-wrapping between orders
- Use to store pre-sliced meat or cheese overnight
- Supports food safety programs

Contact us today to increase the value of your deli packaging.
